Welcome to your Melton Mowbray police e-newsletter. Here you will find all of the latest news from a Melton Mowbray policing perspective and crime prevention advice to help keep yourself safe.

## Working together with the Fire Service

Just before the end of term PCSO Donna Varley and PCSO Tracey Biggs visited St Mary's School in Melton Mowbray with Leicestershire Fire and Rescue Service.

The children asked lots of interesting questions and were very keen to have a look at the police car and fire engine.

## Melton Cadets

Melton Police cadets attended the Animal Defence Centre on Asfordby Road Saturday 20 July.

Whilst there, they assisted with parking and also engaged with members of the public and gave out leaflets about joining the police as a volunteer.

If you are interested in becoming a Police Cadet or volunteering, please visit our website.

## and finally...

### Congratulations goes to...

Head Cadet Bradie Smith for winning the Good Neighbour Award at the Leicestershire Live Heroes Awards Evening.

Bradie noticed that her neighbour's carer needed help so ran over. She quickly saw that her neighbour had fallen and a radiator had been pulled off the wall and landed on her legs.

Realising the seriousness of the situation, Bradie lept into action and fetched heat packs and blankets to keep her neighbour warm and as comfortable as possible whilst waiting for an ambulance to arrive.

On arrival of the ambulance, Bradie extended her consideration to her neighbour's son checking on his welfare and offering her support.

Outstanding work Bradie! Everyone here at Melton Police Station are so proud of you.

**The next edition will be out soon!**
